

Ernest Tubb, Throw Your Love My Way

To me you're just as pretty as a speckled pup
That's why I keep on callin' and I can't give up
I'll give you everything I've got from A to Z
If you will only throw your pretty love at me
She's got the kinda smile that would turn you up and down
She's got the kinda love that started men to slippin' round
Well I don't think I'm slippin' but I just have to say
For goodness grace you baby throw love my way
[steel]

I know you got me hangin' from a broken limb
I'm like a little dog I've got to sink or swim
But I could swim the ocean like the Robert E Lee
If you are lonely you throw your pretty love at me
She's got the kinda smile...

[guitar]
I see your eyes are a gleamin' seen 'em gray and brown
If so I'm gonna turn this whole world upside down
I give my share and heaven and I'll get down on my knees
If you will only throw your pretty love at me
She's got the kinda smile...
