

# Erykah Badu, Green Eyes

(Up tempo)

My eyes are green  
Cause I eat a lot vegetables  
It don't have nothing to do with your new friend  
My eyes are green  
Cause I eat a lot of vegetables  
It don't have nothing to do with your new friend

I don't care, I swear  
I'm too thru with you, I am  
You don't mean nothing, to me  
So go ahead and be with your friend

My eyes are green  
Cause I eats a lot of vegetables  
It don't have nothing to do with your new friend

(Slow tempo)

I'm insecure  
But I can't help it  
My mind says move on  
My heart lags behind it

But I don't love you anymore  
I'm so insecure  
Never knew that love did this

ohh ohh ohhh, ohh ohh ohhh

I can't remember  
The last time I felt this way  
about somebody  
You've done something to my mind  
and I can't control

But I don't love you anymore  
Yes I do, I think  
Loving you is wrong  
du ohh

ohhh ohhh ohhh, ohhh ohhh ohhh

I'm so confused  
You tried to trick me, yeah

Ohhhhhh, ohhhhhh, ohhhhhh

Never knew that love could hurt like this  
Never thought I would, but I got dissed  
Makes me feel so sad and hurt inside  
Feel embarrassed so I wanna hide  
Silly me I thought your love was true  
Change my name to silly E Badu  
Before I heal, it's gonna be a while  
I know it's gonna be a while child

badi dadi di di,dadi di di dum dum di di di  
I hope is not too late  
Too late, too late, too late  
feeling insecure  
Love has got me sore

I don't want no more  
du ohh

It's too late

I'm sorry  
I love you  
At first it was cool  
You told me, you love me too  
And then you lost your love  
Oh then your love  
And then you lost your love  
You wanted me to go away, but I can't go

See  
I can't leave  
It's too late  
I can't leave  
It's too late  
I can't leave  
It's too late  
I can't leave  
It's too late

Just make love to me  
Just one more time and then you'll see  
I can't believe I made a desperate plea  
What's with me, me, me  
yeeeh ooh

You see,  
I can't leave  
It's too late  
I can't leave  
It's too late  
Don't you know  
I can't leave  
It's too late  
Can't go nowhere  
It's too late  
It's too late  
too late  
too late

Don't you wanna be strong with me  
You told me we had a family  
Wanna run to mama when you're down and low  
Then times get tough and there you go  
Ohh out the door you wanna run again  
Open my arms and you'll come back in  
Wanna run cause you say that you were afraid  
Now your free...GO

Never knew what a friendship was  
Never knew how to really love  
You can't be what I need you to  
And I don't know why I fucked with you

I know our love will never be the same  
But I can't stand these growing pains.
