

# Escanaba Firing Line, False Start

You always find away to getaway from it.  
You always find away to find away to get it all.  
You're never on top.  
You're never on the bottom.  
You're never on start escape to find it all.  
Find away to find me...  
Find yourself in all.  
Find away to look deep inside your mind.  
Get up in the morning drink a cup of coffee.  
Drink a little tea to sooth and ease you're eyes.

Time to change your mind.  
Time to restock change it all.  
Time to change your mind.  
Time to restock, just push it off.

You're never on top.  
You never hit bottom.  
You're never on time so push it off, so push it off.  
Find away to find me when you find away to...  
Grow up, wake up, make up your fucking mind.

You always find away to get away from it.  
You always find away to find away to get it all.  
You're never on top.  
You're never on bottom.  
You're never on start escape to find it all.

Just when you thought you were getting ahead  
You had to turn around, turn back and turn it back down.  
Turn back in time to tear down that wall.  
You've gotta get away someway and leave it all.

You always find away to getaway from it.  
You always find away to find away to get it all.  
You're never on top.  
You're never on the bottom.  
You're never on start escape to find it all.  
Find away to find me and find yourself in all.  
Find away to look deep inside your mind.  
Get up in the morning drink a cup of coffee.  
Drink a little tea to sooth and ease you're eyes.

Closing up to close up...  
Push away the problem.  
Deal with this and others in do time.  
Dig down deeper push yourself deep down...  
Deeper into your fucking mind.  
Think about the answers.  
Think about the reasons why.  
Think about each other exploring our minds.  
Think about away to think away to stop it all.  
Think away to grow, expand our tiny minds.
