

Escape The Fate, Harder Than You Know

You said this could only get better.
There's no rush, 'cause we have each other.
You said this would last forever,
But now i doubt if i was your only lover.

Are we just lost in time?
I wonder if your love's the same.
'Cause i'm not over you

Baby, don't talk to me.
I'm trying to let go
Not loving you is harder then you know.
'Cause girl your driving me so crazy

How can i miss you if you never would stay?
If you need time i guess I'll go away.
Inside me now there's only heartache and pain!
So where's the fire?
You've begun the rain.

Are we just lost in time?
I wonder if your love's the same
'cause i'm not over you!

Baby, don't talk to me
I'm trying to let go
Not loving you is harder then you know,
('cause girl your driving me so crazy)

And if you don't want me then
i guess i'll hav'ta go!
Not loving you is harder then you know.

YEAH!

So I'll make the call,
and I'll leave you today
I'm gona miss you 'cause i love you baby
Yeah, I'll make the call
I'm leaving today

Leaving always drives me crazy!
Leaving always drives me crazy!

Baby, don't talk to me
I'm trying to let go.
Not loving you is harder
Then you know,

YEAH!

Baby, don't talk to me
i'm trying to let go (I'm tring to let go)
Not loving you is harder
Then you know,
('cause girl your driving me so crazy)

and if you don't want me then
i guess i'll hav'ta go! (I guess I'll hav'ta go)
not loving you is harder then you know
(girl your driving me so crazy)

Baby, don't talk to me
i'm trying to let go.

Not loving you is harder, then you know,
girl your driving me so crazy.
