

# Esham, 2 Dollahoe

[Esham]

I know this bitch who like to suck on dick  
I call the hoe magic cause she's a trick  
Now this bitch I knew fucked my buddy  
Even though the pussy was wet and bloody  
I never ever once thought about fuckin the hoe  
It seems like a dick always stuck in the hoe  
She's an undercover freak, like a nigga and his thang  
Payin top dollar just to pop that thang  
Oh no, the bitch got a fatal disease  
She can't keep dick out her ovaries  
She like a nigga with money just a project hoe  
How many dicks can one hoe blow ?  
I think I see her after church suckin on the preacher's dick  
Every Sunday night, gettin two dollar licks  
See bitches ain't shit on planet earth  
Make your balls turn blue like Papa Smurf  
And if you bitches don't know I'm tellin you so  
And if you givin up the pussy like that, you just a 2 dolla hoe

[chorus]

What do we get for ten dollars  
A two-dolla hoe  
Bitch don't front you just a two-dolla hoe 6x

[Esham]

Bitch so saditty, actin all pretty  
Niggas don't know bloods comin out your titties  
Now I respect hoes that respect they self  
But I can't fuck pussy that's bad for my health  
Just like Jackie, bitch so tacky  
Hit her with the Kriss Kross call me daddy mackie  
It's alot hoes out there playin dike  
Bitch, I ain't goin out like Mike  
Better raise up off these nuts and get a grip  
Cause in the 9-4, bitch don't trip  
Two-dolla, can't holla straight checkin a hoe  
And I don't give a fuck about respectin a hoe  
Cause if you a dog, you gon bone  
Fuck that pussy then leave it alone  
And if you a hoe, you gon follow  
Dicks and nuts and learn to swallow
