

# Esham, Wish You Was Down

One time, I'm fina blow ya mind, I'm fina flow  
I'm the unholy a.k.a. Esham if ya don't know  
Like to rub and dub when I'm in the club  
Let your girl do me while I'm maxin' in the tub  
Suckas try to diss, they can't go like this  
Wishing they were down with Reel Life Products, but they wish  
I get ill, I might kill  
Another sucker MC just for a thrill  
My name is Esham I got nothin' to prove  
Pay attention my intention is to bust a move  
I might smoke a little cheeba, but some call it reefer  
Give me R-E-S-P-E-C-T, but name ain't Aretha  
I like to get loose, I'm the MC with the true  
I came to give the party that extra boost  
Party people in the place listen to my bass  
Like my man flavor flav said it's the bass for your face  
The real, not phoney, I loves the tenderoni  
But just because I mack I gotta be a macaroni  
Yes yes y'all, and ya don't quit  
Esham rocks the house with the funky shit  
It goes

(CHORUS)(8x)

Wish you was down with Reel Life Products  
Ain't that right bro?

Suckas getting jealous, J-E-A-L-O-U-S  
But I'll knock your ass out like my man Joe Louis  
I'm never fakin' titles I'm takin'  
Money I'm makin' and hearts I'm breakin'  
U-N-H-O-L-Y's here to rock your bell  
And if you disagree then you can go to hell  
I'm almost through so I'ma blaze my true  
But damn I gotta stop to check my mic 1, 2  
I'm cool like the snow and I'm good to go  
It's your man Esham on the radio show  
With another funky fresh Reel Life sound  
All the niggaz that be talkin' that shit just wish they was down

(CHORUS)
