

# Espen Lind, Baby You're So Cool

Oh my god here I go again I'm  
About to get in deep  
I'm completley obsessed with you and  
that's why I lose me sleep  
Can I be your shepherd can I the torch and the light the way  
I just wanna hold you smell you and have you every day  
Can I have your inner secrts can I write about then in a song  
Just don't keep me hanging i've been hanging much too long  
Oh baby you're so cool  
so beautiful I bet you rule  
And you're nobodys fool  
Oh baby you're so cool  
I love your white lies your spunk your grand prize  
the evil in your eyes  
Your smell your levis your taste your dress size  
Your see-through alibis  
I follow you around all day I cling to you like I'm some kind of tail  
I sleep outside your doorstep and sometimes I even read your mail  
I watch you every weekday and I watch you sundays in the park  
Baby are you nuclear cos you're glowing in the dark  
Oh baby you're so cool  
so beautiful I bet you rule  
And you're nobodys fool  
Oh baby you're so cool  
My perversion my introversion has got me on my knees  
Lets get down and explore each other so I can find some peace  
One look at you it's clear I've never wanted anyone this bad  
I'm pretty damn sure you're better than the ones that I've had  
You're such a trip just watching you sends shivers down my spine  
I bet you're really bad for me now I just gotta make you mine  
Oh baby you're so cool  
so beautiful I bet you rule  
And you're nobodys fool  
Oh baby you're so cool
