

Espen Lind, Baby You're So Cool (Original Version)

Oh my god here I go again I'm
About to get in deep
I'm completley obsessed with you and
that's why I lose me sleep
Can I take your bathwater can I have your smelly underwear
i just wanna hold it smell it throw it in the air
Can you hold me tight whisper sweet nothing when i come
Just don't keep me hanging i've been hanging much too long
Oh baby you're so cool
so beautiful I bet you rule
And you're nobodys fool
Oh baby you're so cool
I love your white lies your spunk your grand prize
the evil in your eyes
Your smell your levis your taste your dress size
Your see-through alibis
I follow you around all day I cling to you like I'm some kind of tail
I sleep outside your doorstep and sometimes I even read your mail
I watch you every weekday and I watch you sundays in the park
Baby are you nuclear cos you're glowing in the dark
Oh baby you're so cool
so beautiful I bet you rule
And you're nobodys fool
Oh baby you're so cool
My perversion my introversion has got me on my knees
Lets get down and explore each other so I can find some peace
One look at you it's clear I've never wanted anyone this bad
I'm pretty damn sure you're better than the best things that I've had
You're such a trip just watching you sends shivers down my spine
I bet you're really bad for me now I just gotta make you mine
Oh baby you're so cool
so beautiful I bet you rule
And you're nobodys fool
Oh baby you're so cool
