Espen Lind, Baby You're So Cool (Original Versic

Oh my god here I go again I'm About to get in deep

I'm completley obsessed with you and

that's why I lose me sleep

Can I take your bathwater can I have your smelly underwear

i just wanna hold it smell it throw it in the air

Can you hold me tight whisper sweet nothing when i come

Just don't keep me hanging i've been hanging much too long

Oh baby you're so cool

so beautiful I bet you rule

And you're nobodys fool

Oh baby you're so cool

I love your white lies your spunk your grand prize

the evil in your eyes

Your smell your levis your taste your dress size

Your see-through alibis

I follow you around all day I cling to you like I'm some kind of tail I sleep outside your doorstep and sometimes I even read your mail I watch you every weekday and I watch you sundays in the park

Baby are you nuclear cos you're glowing in the dark

Oh baby you're so cool

so beautiful I bet you rule And you're nobodys fool

Oh baby you're so cool

My perversion my introversion has got me on my knees

Lets get down and explore each other so I can find some peace One look at you it's clear I've never wanted anyone this bad

I'm pretty damn sure you're better than the best things that I've had

You're such a trip just watching you sends shivers down my spine I bet you're really bad for me now I just gotta make you mine

Oh baby you're so cool

so beautiful I bet you rule

And you're nobodys fool

Oh baby you're so cool
