

# Estelle, No Substitute Love

You know who it is  
Oh boy oh boy  
I'm not your substitute lover (said I'm not) oh no  
Said boy oh boy I'm not your substitute lover oh no

I know it would have been nice if I coulda had your body  
Knowing that everybody ain't been with you (ain't been with you)  
But you told me lies, you made me give my heart away  
But now I know the games you play  
So I'm through with you (so I'm through with you)

Listen boy, oh boy oh boy  
I'm not your substitute lover oh no  
Said boy oh boy I'm not your substitute lover oh no

You know there's gonna be a fight if these chicks keep calling you at night  
I seen that text you're tryin' to hide, see I know the truth  
Must be outta your mind, you thought you'd never see the day  
You thought I'd let a player play, but I'ma upgrade you

Listen boy oh boy oh boy  
I'm not your substitute lover oh no  
Said boy oh boy I'm not your substitute lover oh no

See, there's not much you can say  
He said he's done changed and I finished today  
Cuz I can't do it no more, I will be there when you call  
So you besta move on (move on)  
Because I couldnt be your, your substitute no more

Listen, I said you can't call my name  
Like I'm going out of fashion  
And turn around and act like nothin' ain't happen  
Like no, I'm not as cracking  
Only when you need a chick  
Only when you think about this hotness you get the itch  
That's when you get the itch  
Baby let me be your bitch  
Boy who you think it is  
Bad girl not tek this  
Acting like a little boy  
Play me like a decoy  
You need to grow a couple boy  
Cuz you ain't got nuttin' boy

Said boy oh boy I'm not your substitute lover oh no  
Said boy oh boy I'm not your substitute lover oh no  
Said boy oh boy I'm not your substitute lover oh no  
Oh boy I'm not your substitute lover oh no  
Said boy oh boy I'm not your substitute lover oh no
