

# Ester Drang, If They Only Knew

And you know it's time to let it all go  
And you know it's time to let it all show  
'Cause in time you will walk the line

[Chorus]  
'Cause if they only knew, they'd come through  
And if they chose to know you, they'd be free  
And see

It's time to go  
You know, you know  
'Cause in time you will walk the line

[Chorus x2]  
Oh, oh, oh
