

# Eternal Decision, Closer

Here I am a broken man  
Wasted youth on a selfish plan  
I'm reaching out, falling on my knees  
I can hear you calling me

Closer, Draw Closer

Fell so low, now I know  
Reap the fruit of what I sown  
Seek and find, peace of mind  
Leave the old life far behind  
What I'll be, now I see  
Life that lies in front of me  
Calm my fears, dry my tears  
I can feel You near

Here I am a humbled man  
Trying to do the best I can  
So many years that I could not see  
Now I feel You drawing me
