

Eternal Reign, Inner Strength

Sometimes our lives flow like a river
Searching for the sea
Sometimes were like leaves
Dancing in the storms of autumn
Sometimes we feel like a flower
Reaching for the light of the sun
Sometimes were like sheep without a shepard -
Lost in the desert

Have we lost our way - wheres the destination
Close your eyes - let your spirits fly

(Chorus)

Listen close - deep in your mind -
A hidden power called
Inner Strength
Follow the path - to the depth of your soul -
And you will find
Inner Strength

Sometimes lifes like a call never getting an answer
Sometimes were all like drifters looking for our way

And if youve lost your way -
Dont know the destination
Close your eyes - let your spirits fly

(Chorus)

We are all travellers on a journey through time
Always wandering in this labyrinth... called life
What well find... its in your mind

(Solo)

Like a river searching for the sea
Like a leaf dancing in the storm
Like a flower reaching for the sun
Like sheep without a shepard
Like a river searching for the sea
Like a leaf dancing in the storm
Like a call never getting an answer
Like a drifter looking for the way

(Chorus)
