

Etta James, Someone To Watch Over Me By Etta

There's is a saying, oh love is blind
Still we're often told, "seek and ye shall find"
So i'm going to seek a certain man that i've had in mind

won't you tell him please to put on some speed
follow my lead, oh how i need
someone, someone to watch over me

There's a somebody I'm longin' to see
I hope that he, turns out to be
Someone to watch over me

I'm a little lamb who's lost in the wood
I know i could, always be good
To one who'll watch over me

Although he may not be the man some
Girls think of as handsome
To my heart he carries the key

Won't you tell him please to put on some speed
Follow my lead, oh, how i need
Someone to watch over me

Won't you tell him please to put on some speed
Follow my lead, oh, how i need
Someone to watch over me

Someone to watch over me
