

# Eugene Wilde, So In Love.....

## Verse I

It's just the way...  
I feel about you...  
And how I hope you feel..the same way too...

Cause, when you call my name..  
I can't explain...the feeling that...comes over me...  
When i dream  
Darling it seems.  
That..true love is oh so real..  
And i've got to say...  
Just, how i feel..  
And this is the perfect  
Moment to say...

## Hook

That I'm in Love  
So, in Love..  
I'm in Love....With You..  
Lady...I'm In Love  
So, In Love..  
I'm in Love...With You..

## Verse II

Right from the Start..  
You Stole My heart.....  
And from this Moment  
I promise never to hide.  
Cause the way i feel  
Is oh so real...  
And my Love for you..  
Will Never fade Away.  
Cause When I dream  
Darling it seems..  
That true love..is oh so real  
And i've got to say..  
Just How i feel..  
And this is the Prefect..  
Moment to Say

(repeat hook)

vamp:

You make me feel  
So good inside  
You make me sooo Alive..  
Your Love is so Special..  
That i can't Deny....  
oh ooh oh ooh oh

(Ad-lib till fade)

Eugene Wilde taken from the "How About Tonight" CD/LP..
