

Europe, Carrie2

When lights go down
I see no reason
For you to cry
We've been through this before
in every time , in every season
God knows I've tried
So please don't ask for more
Can you see it in my eyes
That this might be our last Good Bye
Carrie , Carrie
Things they change my friend
Carrie , Carrie
Maybe will meet Again , Somewhere , Again
I read your mind with no intention
I feel unkind , I wish i could explain
It all takes time , oh lot of passion
if is a crime how can i feel no pain
Can you see it in my eyes
that this might be our last good bye
Carrie Carrie
Things they change my friend
Carrie Carrie
Maybe will meet Again
Can you see it my eyes
that this might be our last good bye
carrie carrie
Things that change Carrie Carrie Carrie
Maybe will meet again , somewhere , again
When Lights go Down
