

# Europe, Firebox

Dealing with magic  
I have no defense  
There's no answer...  
Just surrender  
Permission to land

Just a man  
It never stops  
Just one lifetime  
Oh, firebox

Always hanging somewhere  
Between desire and despair

Just a man  
Can't get enough  
Just one lifetime  
Oh, firebox

Just a man  
It never stops  
Just one lifetime  
Oh, firebox  
Just a man  
Can't get enough  
Just one lifetime  
Oh, firebox
