

Europe, Love Chaser

(Joey Tempest)

Someone's at your door tonight
Someone wants your love
Is it real or just imagination
You decide to wait inside 'til the break of dawn
In dreams you see yourself seeking affection.

He'll know just who you are
He'll know just where you've been
He'll know just what to do.

Love chaser - If you look deep in his eyes
Then you're in for a big surprise
He can take your breath away
There's nothing you can do or say.

You can feel that someone's at your back
You can hear his pounding heart
But something tells you not to be afraid
Cause even in the darkest night
Someone's at your side
But when morning comes it all starts to fade away.
