

Europe, Open Your Heart (Original Version)

Days filled with joy
And days filled with sorrow
I don't know just what to do
Am I happy today
Am I lonely tomorrow
Everything depends on you

And I've been waitin'
For the angels to knock on my door
And I've been hopin'
That everything could be like before

Open your heart and tell me what's wrong
Why can't you talk like you used to do before
I don't know if I'm weak, I don't know if I'm strong
Hey girl, I can't cope anymore

And I've been waitin'
For the angels to knock on my door
And I've been hoping'
That everything could be like before

Open your heart, let me hear you
Make up your mind, I wanna hear you call
Open your heart, want to come near you
Make up your mind, oh girl before i fall

Maybe the sun will continue to shine
Maybe the rain will continue to fall
Maybe you want to leave me behind
Maybe you'll change and give me a call
