

# Europe, Supertitious

Keep on walking that road and I'll follow  
Keep on callin' my name I'll be there  
And if a mirror should break  
It's easy to take  
Cause deep down I know that you care  
I'm not superstitious  
I'm not superstitious,  
I have no doubt  
That there's a reason,  
How things turn out  
While things are changin'  
From day to day  
I'll keep this feelin'  
With me all the way  
And I want you to know  
That you're on my mind  
Every day, all of the time  
So keep on walking that road and I'll follow  
Keep on callin' my name I'll be there  
And if a mirror should break  
It's easy to take  
Cause deep down I know that you care  
I'm not superstitious  
There might be times of wonder  
When I'm on my own  
Tryin' to find out if love has gone

It might make a difference  
It might bring me down  
But no superstitious  
Is gonna turn things around  
And I want you to know  
That you're on my mind  
Every day, all of the time  
So keep on walking that road and I'll follow  
Keep on callin' my name I'll be there  
And if a mirror should break  
It's easy to take  
Cause deep down I know that you care  
I'm not superstitious  
So keep on walkin' and we'll make things right  
Yeah, keep on dreamin' each and every night  
We're gonna make it,  
That's what we'll do  
Right to the end girl,  
We're gonna walk on through  
Keep on walking that road and I'll follow  
Keep on callin' my name I'll be there  
And if a mirror should break  
It's easy to take  
Cause deep down I know that you care  
I'm not superstitious
