

Europe, Tomorrow

(Joey Tempest)

Will you be there beside me
If the world falls apart
And will all of our moments
Remain in your heart
Will you be there to guide me
All the way through, I wonder will you

Walk by my side, and follow my dreams
And bear with my pride, as strong as it seems
Will you be there tomorrow

Will you be there beside me
As time goes on by
And be there to hold me
Whenever I cry
Will you be there to guide me
All the way through, I wonder will you

Walk by my side, and follow my dreams...
