

Europe, When I See You Smile

Sometimes I wonder i'd ever make it through?
through this world without having you.
I just wouldn't have a clou
'cause sometimes it seems like this world 's closing in on me.
and there's no way of breaking free and then I see You reach for me
Sometimes I wanna give up, wanna give in I wanna quit the fight
And then I see You Baby and everythings allright, Everythings allright

When I see you smile
I can face the world, ohow
You know I can do anything
When I see you smile
I see a ray of light ohow
see it shining right through the rain
When I see you smile
baby when I see you smile at me

Baby there's nothing in this world that could ever do
what a touch of your hand can do
it's like nothing that I ever knew
And when the rain is falling I don't feel it
'cause you're here with me now.
I wanna add you baby is all I'll ever need
It's all I'll ever need.

When I see you smile
I can face the world, ohow
You know I can do anything
When I see you smile
I see a ray of light ohow
I see it shining right through the rain
When I see you smile baby
baby when I see you smile at me
Sometimes I wanna give up, I wanna give in I wanna quit the fight
Then one look at you baby and everythings allright, heej everythings
allright.'s all right

When I see you smile
I can face the world, ohow
You know I can do anything
When I see you smile
I see a ray of light ohow
I see it shining right through the rain
When I see you smile
Yeah I can face the world, ohow
you know I can do Anything now
When I see you smile ow yeah
baby when I see you...smile
Smile at me...
