

Europe, Words Of Winsdome

So many words have passed through my mind
never thought I'd be so blind
I wish I could understand you
So many things I've heard and seen
but still don't know what you mean
When you say "I'm leaving you"
I wish I could remember
everything I've learned
I've tried and I've tried to be so good
and I know I should
say something before you go
Cause every time I've done something wrong
It's so hard to be strong
gone are the feelings I want to show
Oh....words of wisdom
Oh....teach me more
Oh....words of wisdom
Oh....so much more
