Eurythmics, A Little Of You

There used to be a time
I wore my heart upon my sleeve.
There used to be a time
I'd show my gentle side to anyone
Through these years of wandering
I know I've been deceived.
Through these years of wandering...

And everytime you try to hurt me You know you'll only hurt yourself. And everytime you try to hurt me I know you'll be the one to suffer When you think you're hurting someone.

A little of you - a little of me -A little of you -Is hurting someone -

Don't tell me I'm the only one 'Cause I don't need that space. Don't ask for love I'll throw it back in your face. All of these promises Were only made to break. All of these promises...

(Chorus repeats...)
