

# Eurythmics, Beethove

Listen to  
listen to  
listen to  
I love to listen to  
I love to listen to  
I love to listen to  
I love to.  
Take a girl like that and put her in a natural setting  
Like a cafe for example.  
Along comes the boy and he's looking for trouble  
With a girl like that  
with a girl like that.  
Who knows what they'll decide to do  
Who knows what they'll get up to?  
I'd love to know  
wouldn't you?  
I love to listen to  
I love to  
I love to listen to Beethoven  
I love to listen to Beethoven  
I love to listen to Beethoven  
I love to.  
You think you know just what you want  
But you hove used that weapon against me.  
Did I tell you I was lying by the way  
When I said I wanted a new mink coatz  
I was just thinking about something sleek  
to wrap around my tender throat.  
I was dreaming like a Texan girl.  
A girl who thinks she's got the right to everything  
A girl who thinks she could have something extreme.  
I love to listen to  
I love to  
I love to listen to Beethoven  
I love to listen to Beethoven  
I love to listen to Beethoven  
I love to.
