

Eurythmics, I Want It All

I want it all
I want it all
I don't know what it is
But I want it all

I want it all
I want it all
I don't know what it is
But I want it all

And I want it now
I want it now
I don't know what it is
But I want it now

Yea yea yea
Yea yea yea

Gimme gimme some more
Of the same old stuff
It don't make me happy
And it's never enough

Gimme gimme some more
Of the same old stuff
It don't make me happy
And it's never enough

Peel back my skin
So that you can see
What I really am
The true colour of me

Peel back my skin
So that you can see
What I really am
The true colour of me

Yea yea yea
Yea yea yea

Yea yea yea
Yea yea yea
