

# Eurythmics, Take Me To The River

I don't know why I love you like I do  
All the changes you put me through  
Take my money, my cigarettes  
I haven't seen the worst of it yet  
I wanna know, can you tell me  
I'd really like to stay  
\*Take me to the river  
Drop me in the water  
Take me to the river  
Drop me in the water  
Wash me down, wash me down  
Wash me down, wash me down  
I don't know why you treat me so bad  
Think of all the things that we could have had  
Love is an ocean  
And I can't forget my sweet sixteen  
I'll never fret I wanna know, can you tell me

I'd really like to stay (\*Repeat)  
Love me, squeeze me Love me, tease me  
Till I can't, till I can't  
Till I can't, till I can't-  
I don't know why I love you like I do  
All the trouble that you put me through  
Sixteen candles blowin' on the wall  
And here I am the biggest fool of all  
I wanna know, can you tell me I'd really like to stay  
Take me to the river  
Drop me in the water  
Dip me in the water  
Drop me in the water  
Dip me in the water  
Drop me in the water...
