

# Eva Cassidy, Hallelujah, I Just Love Him

Let me tell you 'bout a boy I know  
He's my baby and he lives next door  
And every morning when the sun comes up  
He brings me coffee in my favorite cup  
That's why I know  
Yes I know  
Hallelujah, I just love him so

When I call him on the telephone  
And tell him that I'm all alone  
By the time I count from one to four  
I hear him knockin' on my door  
In the evenin' when the sun goes down  
And there is nobody else around  
He kisses me and he holds me tight  
And whispers "Baby, everything is alright"  
That's why I know  
Yes I know  
Hallelujah, I just love him so

When I call him on the telephone  
And tell him that I'm all alone  
By the time I count from one to four  
I hear him knockin' on my door  
In the evenin' when the sun goes down  
And there is nobody else around  
He kisses me and he holds me tight  
And whispers "Baby, everything is alright"  
That's why I know  
Yes I know  
Hallelujah, I just love him so  
Yeah, Hallelujah, I just love him so  
Oh, Hallelujah, I just love him so
