

Eva Cassidy, If Time Is A Healer

I found a picture
of your smiling face.
Bringing old memories
that I locked away.
The burden of anger,
from a heart filled with pain,
was finally lifted
and I smiled at you again, Oooh.

Chorus:

If time is a healer
then all hearts that break
are put back together again
'cause love heals the wounds it makes

I spoke such harsh words
before our goodbye.
Well I wanted to hurt you
for the tears
you made me, you made me cry.
All of my hopes and dreams,
well they started vanishing.
Those tender hurt feelings
became a dangerous thing, Oooh.

Chorus:

if time is a healer
then all hearts that breaks
are put back together again
'cause love heals the wounds it makes

Bridge:

all of those years we've spent together
(spent together)
well they're a part of my life forever
i will hold the joy with the pain
and the truth is
i miss you my friend

Chorus:

If time is a healer (if time is a healer)
then all hearts that break (than all hearts, all hearts that break)
are put back together again
cause love heals (the wound doo doo doo doo doo doo)
cause love heals (doo doo doo doo doo)
cause love heals the wound it makes
