

Eva Cassidy, Somewhere Over The Rainbow

Somewhere over the rainbow

Ooo...

Somewhere over the rainbow
Way up high
And the dreams that you dream of
Once in a lullaby

Somewhere over, the rainbow
Blue birds fly
And the dreams that you dream of
Dreams really do come true

Some day, I'll wish upon a star,
And wake up where the clouds are far behind me
Where troubles, melts like a lemon drops,
High above, the chimney tops
That's where, you'll find me

Somewhere over the rainbow
Blue birds fly
And the dreams
That you dare to oh why, oh way
Can't I

Well I see trees are green and
Red roses too
I watch them bloom for
Me and you and I
Think to myself
What a wonderful world

Well I see skies are blue
And clouds of light
And the brightness of day
I like the dark and I
Think to myself
What a wonderful world

The colours of the rainbow
So pretty in the sky
Are also on the faces
Of people passing by
I see friends shaking hands saying
How do you do?
They're really saying, I,
I love you

I hear baby's cry and I
Watch them grow
They'll learn much more
Then real know and I
Think to myself
What a wonderful world

Some day, I'll wish upon a star,
And wake up where the clouds are far behind me
Where troubles, melts like a lemon drops,
High above, the chimney tops
That's where, you'll find me

Somewhere over the rainbow
Way up high

And the dreams
That you dare to oh why, oh why
Can't I

Ooo...
