

Eva Cassidy, Take Me To The River

I dont know why I love you like I do
After all the changes you put me through
Stole my money, my cigarettes
I havent seen the worst of it yet

I wanna know boy, wont you tell me
Tell me how can I stay here with you

Chorus:
Wont you take me to the river
Wash me down
Take me to the river
Put my feet back on the ground

I dont know why you treat me so bad
After all the good times that weve had
Youre sixteen candles that burn on my wall
Now whos the biggest fool of us all

I wanna know, wont you tell me
Tell me how can I stay here with you

Chorus

Hold me squeeze me love me
And you can tease me
Till I cant take it no more
Oh yeah yeah yeah

I dont know why I love you like I do
After all the changes you put me through
Love is a notion I cant forget
My sweet sixteen I would never regret

I wanna know, wont you tell me
Tell me how can I stay here with you

Chorus x2
