

# Eva Cassidy, Time Is A Healer

I found a picture of your smiling face  
Bringing old memories that I had locked away  
The burden of anger from a heart filled with pain  
Was finally lifted and I smile at you again

Chorus:- If time is a healer  
Then all hearts that break  
Are put back together again  
Cause love heals the wound it makes

I spoke such harsh words before goodbye  
Well I wanted to hurt you for the tears you made  
You made me cry  
All my hopes and dreams, well they started vanishing  
Those tender hurt feelings became a dangerous thing  
Chorus:-

All of those years we spent together  
Well theyre part of my life forever  
I hold the joy with the pain  
And the truth is I miss you my friend

Chorus:- Well time is a healer
