

Eva Simons, I Don't Like You

fade to the darkness all the way
at the start gets i hoped
there for once i had escaped the fakes, the snakes
waste of time so face so face
i'll be bald enough to throw
on an ish i belong to say to say

the fist is old, but this old
it's dead and ended now
i left all the reasons why
why you should still be here
go

where did we go wrong
i don't even like you now, like you
i don't like you
you ain't what i want
and time will never work this out

oh no, i've got cold
in the heart
where did we go wrong
i don't even like you now,
forget you

oh no, i've got cold
in the heart
where did we go wrong
i don't even like you now,
forget you
i don't like you

all the way
saved, not confused we're in the rain
it's losing hand fold
why play on nothing to gain
all on the rates

the fist is old, but this old
it's dead and ended now
i left all the reasons why
why you shouldn't even be here
go

oh no, i've got cold
in the heart
where did we go wrong
i don't even like you now,
forget you

oh no, i've got cold
in the heart
where did we go wrong
i don't even like you now,
forget you
i don't like you

all the way
done with right
i just don't feel this i'm not all over it's there
through it all, that's what it is
this love has taken its last breath

where did we go wrong

i don?t even like you now, like you
i don?t like you
you ain?t what i want
and time will never work this out

oh no, i?ve got cold
in the heart
where did we go wrong
i don?t even like you now,
forget you

oh no, i?ve got cold
in the heart
where did we go wrong
i don?t even like you now,
forget you
i don?t like you
