

evan and jaron, Can't Get You Off My Mind

I think
I know
I think Im just a little too slow
my friends
me and you yea
are sick of hearing
cause thats all that they do
cause I cant get you off
cant get you off my mind
oh no
cause I cant get you off
cant get you off my mind
oh no
I think
I see
I think Im just a little too deep
my problems
they go on
let me tell you
that Im just hanging on
(chorus)
I dont think Ill ever get over you
cause there'd be nothing left to do
(chorus)
I think
I know
Im just a little too slow
my friends of me and you
are sick and tired of all that we do
(chorus)
