

# evan and jaron, Crazy For This Girl

She rolls the window down

And she

Talks over the sound

Of the cars that pass us by

And I don't know why

But she's changed my mind

Chorus:

Would you look at her

She looks at me

She's got me thinking about her constantly

But she don't know how I feel

And as she carries on without a doubt

I wonder if she's figured out

I'm crazy for this girl

She was the one to hold me

The night

The sky fell down

And what was I thinking when

The world didn't end

Why didn't I know what I know now

Chorus

Right now

Face to face

All my fears

Pushed aside

And right now

I'm ready to spend the rest of my life

With you

Chorus 2x
