

evan and jaron, Crazy For This Girl

She rolls the window down
And she
Talks over the sound
Of the cars that pass us by
And I don't know why
But she's changed my mind

Chorus:

Would you look at her
She looks at me
She's got me thinking about her constantly
But she don't know how I feel
And as she carries on without a doubt
I wonder if she's figured out
I'm crazy for this girl
She was the one to hold me

The night

The sky fell down

And what was I thinking when

The world didn't end

Why didn't I know what I know now

Chorus

Right now

Face to face

All my fears

Pushed aside

And right now

I'm ready to spend the rest of my life

With you

Chorus 2x
