

evan and jaron, Find In You

you don't think the way I do
you've got your own point of view
we don't see eye to eye on many things
even when we try
I find in you what I don't in me
a side of life I never see
so you be you and I'll be me
it's okay if we disagree
I'm learning more and more each day
I'm thinking about the things you say
why you do the things you do
and why you are the you that's you
I find in you what I don't in me
a side of life I never see
so you be you and I'll be me
it's okay if we disagree
I've been listening to every word you say
maybe someday I will feel your way
but not today
what I do is what I see
you said when you were just like me
you've grown lot and now youe wise
but I just don't see though your eyes
I find in you what I don't in me
a side of life I never see
so you be you and I'll be me
it's okay if we disagree
