

# evan and jaron, Watching The Rain

Here I am against my will  
Watching the rain, ah  
I cannot stand to be alone, no no  
watching the rain, yeah  
Time stand still  
watching the rain, ah  
I slowly start to drift away now, yeah  
watching the rain  
It's not so bad after all  
Stuck amidst this waterfall  
Said my mind is running free  
There's no one here with me  
Watching the rain  
Here I am  
Watching the rain, yeah  
I kind of like to be alone, yeah, yeah  
Watching the rain  
Now, time stands still  
Watching the rain, yeah  
But, I don't mind it anymore, no no  
Watching the rain  
It's not so bad after all  
Stuck amidst this waterfall  
My mind is running free  
There's no one here with me  
Look out into the rain  
I am not afraid anymore  
Never thought something so mundane  
Could open me up more  
It's not so bad after all  
Stuck amidst this waterfall  
Said my mind is running free  
There's no one here with me  
Oh, now I think I see  
A different side of me  
I'm glad I got the chance  
To watch the rain
