

Evan Dando, The Ballad Of El Goodo

Years ago my heart was set to live, oh
And I've been trying hard against unblievable odds
Gets so hard at times like now to hold on
Guns they wait to be stuck by
That my side is gone
And there ain't noone going to turn me around
There ain't no one going to turn me around
People around you tell you that they know
The places they've been to and it's easy to go
They'll zip you up and dress you down and stand you in a room
you know you don't have to
you can just say no
and they're ain't no one going to turn me around
there ain't no one going to turn me around
there ain't no one going to turn me around
there ain't no one going to turn me around
I've been built up and trusted
broke down and busted
they'll get theirs and we'll get ours
if you can just hold on, hold on, hold on, hold on
years ago my heart was set to live, oh
and I've been trying hard against, against strong odds
gets so hard at times like now to hold on
gonna fall if I dont fight
that my side is gone
and there ain't no one going to turn me around
there ain't no one going to turn me around
ain't noone going to turn me around
there ain't noone going to turn me around
