

Evan & Jaron, Can't Get You Off My Mind

I think
I know
I think I'm just a little too slow
my friends
me and you yea
are sick of hearing
cause that's all that they do
cause I can't get you off
can't get you off my mind
oh no
cause I can't get you off
can't get you off my mind
oh no
I think
I see

I think I'm just a little too deep
my problems
they go on
let me tell you
that I'm just hanging on
(chorus)
I don't think I'll ever get over you
cause there'd be nothing left to do
(chorus)
I think
I know
I'm just a little too slow
my friends of me and you
are sick and tired of all that we do
(chorus)
