

# Evan & Jaron, Can't Get You Off My Mind

I think  
I know  
I think I'm just a little too slow  
my friends  
me and you yea  
are sick of hearing  
cause that's all that they do  
cause I can't get you off  
can't get you off my mind  
oh no  
cause I can't get you off  
can't get you off my mind  
oh no  
I think  
I see

I think I'm just a little too deep  
my problems  
they go on  
let me tell you  
that I'm just hanging on  
(chorus)  
I don't think I'll ever get over you  
cause there'd be nothing left to do  
(chorus)  
I think  
I know  
I'm just a little too slow  
my friends of me and you  
are sick and tired of all that we do  
(chorus)
