

# Evan Taubenfeld, My Apology

If I said that I'm sorry  
But I told you I cared  
Would you ever forgive me?  
Is there no second chance?  
I did not mean to hurt you  
Don't say I do not care  
Because I have to do this  
We could not go back there  
I needed to change all  
it's all me and I'm sorry  
yeah I'm sorry  
But there's no other way  
Hope you'll be okay  
I hope too not for you through this(???)  
yeah I'm sorry  
I must say what I thought I would never say  
It's so far from easy  
merely fades(??)  
I've given up on us  
This could be a mistake  
I needed to change all  
it's all me and I'm sorry  
yeah I'm sorry  
But there's no other way  
Hope you'll be okay  
I hope too(???) not put you through this  
yeah I'm sorry  
I must say what I thought I would never say  
It's all me and I'm sorry  
yeah I'm sorry  
But there's no other way  
Hope you'll be okay  
I hope too not??? put you through this  
yeah I'm sorry  
I must say what I thought I would never say  
I'm sorry I'm sorry
