

# Evan Taubenfeld, My life without Avril

Things used to be great, now we can't relate  
Somethings not right, you just want to fight  
Well go find someone else  
Cause you're not my type anymore  
I don't wanna play your games  
I don't care, If I lose you today  
Cause you can't be satisfied by anything  
So try life without me  
yeah, oh oh oh  
Nothing I do, ever pleases you  
I wonder how you'd like that  
What should I say  
You've made it this way  
and I'm supposed to fix this  
I don't feel like it  
I don't wanna play your games  
I don't care, If I lose you today  
Cause you can't be satisfied by anything  
So try life without me  
It's over now, we're finally through  
It's all because of you  
Don't know why I tried,  
you never cared  
I don't think that's fair  
I don't wanna play your games  
I don't care, If I lose you today  
Cause you can't be satisfied by anything  
So try life without me  
I do not wanna play your games  
I don't care, If I lose you today  
Cause you can't be satisfied by anything  
So try life without me  
just try life without me  
just try life without me
