Evanescence, 4th of July

Shower in the dark day Clean sparks driving down Cool in the waterway Where the baptized drown Naked in the cold sun Breathing life like fire Thought I was the only one But that was just a lie

Cause I heard it in the wind And I saw it in the sky And I thought it was the end And I thought it was the 4th of July

Pale in the flare light The scared light cracks & amp; disappears And leads the scorched ones here And everywhere no one cares The fire is spreading And no one wants to speak about it Down in the hole Jesus tries to crack a smile Beneath another shovel load

And I heard it in the wind And I saw it in the sky And I thought it was the end And I thought it was the 4th of July

And I heard it in the wind And I saw it in the sky And I thought it was the end And I thought it was the 4th of July

Now I'm in control Now I'm in the fall out Once asleep but now I stand And I still remember Your sweet everything Light a Roman candle And hold it in your hand

Cause I heard it in the wind And I saw it in the sky And I thought it was the end And I thought it was the 4th of July

And I heard it in the wind And I saw it in the sky And I thought it was the end And I thought it was the 4th of July
