Evanescence, Bring Me To Life [Bliss Mix]

How can you see into my eyes like open doors? Leading you down into my core Where I've become so numb Without a soul My spirit's sleeping somewhere cold Until you find it there and lead it back home

Wake me up inside
Wake me up inside
Call my name and save me from the dark
Bid my blood to run
Before I come undone
Save me from the nothing I've become

Now that I know what I'm without You can't just leave me Breathe into me and make me real Bring me to life

Wake me up inside
Wake me up inside
Call my name and save me from the dark
Bid my blood to run
Before I come undone
Save me from the nothing I've become
Bring me to life

Bring me to life

Frozen inside without your touch Without your love, darling Only you are the life among the dead

I've been sleeping a thousand years it seems Got to open my eyes to everything Don't let me die here Bring me to life

Wake me up inside
Wake me up inside
Call my name and save me from the dark
Bid my blood to run
Before I come undone
Save me from the nothing I've become
Bring me to life
Bring me to life
Bring me to life
