

Evanescence ft Avril Lavigne, Gothic Angel

i cannot find a way to describe it
it's there inside all i do is hide
i wish that it would just go away
what would you do you
do if you if you knew
what would you do?
all the pain falling in
all she sings lead
back to you
back to what
never said
back and forth - inside my hand
i can't handle
this confusion
i'm unable
come and take me away
i feel like i'm all alone
all by myself i need to
let go of this
my words i called i don't
want them to hurt you
if i show you i don't think
you understand
cause no one understands
all the pain falling in
all she sings lead
back to you
back to what
never said
back and forth - inside my hand
i can't handle
this confusion
i'm unable
come and take me away
i'm going nowhere on and on
i'm getting nowhere on and on
i'm going nowhere on and on
and on and on and on
all the pain falling in
all she sings lead
back to you
back to what
never said
back and forth - inside my hand
i can't handle
this confusion
i'm unable
come and take me away
