Evanescence ft Avril Lavigne, Gothic Angel

i cannot finda way to describe it
its there intside all i do is hide
i wish that it wouldjust go away
what would you do you
do if you if you knew
what would you do?
all the pain falling in
all dhe sings lead
back to you
back to whats
never said
back and forth - inside my hand
i cant handle
this confusion
im unable
come and take me away
i feel like i im all alone
all by myself i need to
let around this
my words i called i dont
want them to hurt you
if i show you i dont think
you understand
cause no one understands
all the pain falling in
all dhe sings lead
back to you
back to whats
never said
back and forth - inside my hand
i cant handle
this confusion
im unable
come and take me away
im going nowhere on and on
im getting nowhere on and on
im going nowhere on and on
and on and on and on
all the pain falling in
all dhe sings lead
back to you
back to whats
never said
back and forth - inside my hand
i cant handle
this confusion
im unable
come and take me away
