

Evanescence, Haunted (Demo #1)

Long lost words whisper slowly to me
Still can't find what keeps me here
When all this time I've been so hollow inside
I know you're still there

Watching me, wanting me
I can feel you pull me down
Fearing you, loving you
I know I'll find you somehow

Hunting you I can smell you alive
Your heart pounding in my head

Calling me, killing me
I won't let you pull me down
Saving me, raping me
Watching me

Watching me, wanting me
I can feel you pull me down
Fearing you, loving you
I won't let you pull me down

Watching me, wanting me
I can feel you pull me down
Fearing you, loving you
I won't let you pull me down
