## Evanescence, Haunted V.2

Long lost words whisper slowly to me Still can't find what keeps me here When all this time I've been so hollow inside

I know you're still there

Watching me, wanting me I can feel you pull me down Fearing you, loving you I won't let you pull me down

Hunting you I can smell you - alive Your heart pounding in my head

Watching me, wanting me I can feel you pull me down Saving me, raping me Watching me

Watching me, wanting me I can feel you pull me down Fearing you, loving you I won't let you pull me down
