

# Evanescence, Made Of Stone

Speak your mind,  
Like I care  
I can see your lips moving  
I've just learned not to hear  
Don't waste your time

It's never enough for you baby  
Don't want to play your game anymore  
No matter what you say  
I'm all out of love for you, baby  
And now that I've tried everything  
I'll numb the pain,  
'Til I am made of stone

Take your time  
I'm not scared  
Make me everything you need me to be  
So the judgment seems fair

Don't waste your time

It's never enough for you, baby  
Don't want to play your game anymore  
No matter what you say  
I'm all out of love for you, baby  
And now that I've tried everything  
I'll numb the pain  
'Til I am made to

Tear out my heart  
For the way that it feels  
I will still remember when you've long forgotten me

It's never enough for you, baby  
Don't want to play your game anymore  
No matter what you say  
I'm all out of love for you, baby  
And now that I've tried everything  
I'll numb the pain  
'Til I'm made of stone  
It's never enough  
It's never enough  
It's never enough  
I'll numb the pain  
'Til I am made of stone  
I'll numb the pain  
'Til I am made of stone
